**Personality:**

Gotrek is almost certainly the most successful troll slayer in this age of the world. His quest to find death at a worthy opponents hand has never been fulfilled. No-one knows why he shaved his head into a spike hair-cut and not even his human henchman Felix Jaeger has ever had the courage to ask. Gotrek's weapon 'Gotreks Axe' cuts through armour so the enemies' armour has no effect to him. Gotreks eye got torn out by an entire tribe of goblin wolf riders (before he killed them all)
